REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. §1.322

Honorable Commissioner for Patents
U.S. Patent and Trademark Office
Randolph Building, Mail Stop Post Issue
401 Dulany Street
Alexandria, VA 22314

Certificate
OCT 13 2006
of Correction

Sir:

This is in response to the receipt of two
Certificates of Correction issued by the Patent and Trademark
Office on May 30, 2006, and August 8, 2006. In checking over
these Certificates, we have found that the following error,
that is the fault of the Patent and Trademark Office, was not
included in either Certificate. It is respectfully requested
that this error be corrected in accordance with 37 CFR
§1.322(a). The error to be corrected is listed below.

Column 12, line 27 (claim 1, line 13), delete
"moderns" and insert therefor --modems--.

In re of U.S. Patent 6,970,538

In patent claim 1 at line 13 (column 12, line 27), the clause should read "first and second modems" and not "first and second moderns." Application claim 20 (now patent claim 1) was inserted into this application by preliminary amendment of April 16, 2004. Application claim 20, line 12, read "first and second modems" and this term was never amended during the prosecution of the application. This is clearly a printing error on the part of the Patent and Trademark Office.

Furthermore, a "Request for Certificate of Correction under 37 CFR §1.322 and 37 CFR §1.323" was submitted to the PTO on March 29, 2006, along with a copy of the Certificate of Correction form listing the above error as one of several errors to be corrected. On April 27, 2006, in response to a decision issued by the PTO on April 11, 2006, a "Request for Reconsideration of Decision dated April 11, 2006", was submitted to the PTO. This Request also included a "Request for Reconsideration Certificate of Correction under 37 CFR §1.322 and 37 CFR §1.323" and another copy of the Certificate of Correction form listing the above error as one of several errors to be corrected. In both instances, the PTO failed to include the above-listed error in the official Certificate of Correction.

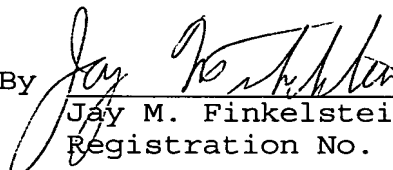

We are attaching one new copy of the Certificate of Correction form, listing only the above-mentioned error that was omitted from the two previous Certificates of Correction.

In re of U.S. Patent 6,970,538

Granting of this request is earnestly solicited.

Respectfully submitted,
